

Engineering and Manufacturing Technologies

| | | |
|---|--|---|
| Able Seafarer (Deck) | Food Manufacture | Print and Printed Packaging |
| Advanced Diagnostics and Management Principles | Furniture Furnishings and Interiors Industry | Process Technology |
| Aerospace Engineer | Gas Industry | Product Design and Development Engineer |
| Aerospace Manufacturing Electrical, Mechanical and Systems Fitter | Glass Industry Occupations | Product Design and Development Technician |
| Aerospace Manufacturing Fitter | Heating, Ventilation, Air Conditioning and Refrigeration | Rail Engineering Overhead Line Construction |
| Aerospace Software Development Engineer | Industrial Applications | Rail Infrastructure Engineering |
| Automotive Clay Modelling | Installation Electrician/Maintenance Electrician | Rail Services |
| Aviation Operations on the Ground | Laboratory Scientist | Rail Traction and Rolling Stock Engineering |
| Building Energy Management Systems | Laboratory Technician | Rail Transport Engineering |
| Building Services Engineering Technicians | Laboratory Technicians | Railway Engineering Design Technician |
| Ceramics Manufacturing | Large Goods Vehicle (LGV) Driver | Road Passenger Transport - Bus and Coach |
| Coatings Development Plan | Manufacturing Engineer | Science Manufacturing Technician |
| Composite Engineering | Marine Industry | Signmaking |
| Control /Technical Support Engineer | Mechatronics Maintenance Technician | Smart Meter Installations (Dual Fuel) |
| Driving Goods Vehicles | MES Plumbing | Specialized Process Operations (Nuclear) |
| Dual Fuel Smart Meter Installer | Metal Processing and Allied Operations | Systems Engineering Masters Level |
| Electrical /Electronic Technical Support Engineer | Metals Processing | Transport Engineering and Maintenance |
| Electrical and Electronic Servicing | Mineral Products Technology | Utilities Engineering Technician |
| Electrotechnical | Multi-skilled Vehicle Collision Repair | Vehicle Body and Paint Operations |
| Engineering | Non-SASE Compliant | Vehicle Fitting |
| Engineering Construction | Nuclear Scientist and Nuclear Engineer | Vehicle Maintenance and Repair |
| Engineering Environmental Technologies | Nuclear Welding Inspection Technician | Vehicle Parts Operations |
| Engineering Technology | Operations and Quality Improvement | Vehicle Restoration |
| Explosives Storage and Maintenance | Paper Manufacture | Vehicle Sales |
| Extractive and Mineral Processing Occupations | Polymer Processing and Signmaking | Water Industry |
| Fashion and Textiles | Power Industry | Water Process Technician |
| Fashion and Textiles:Technical | Power Network Craftsperson | Wood and Timber Processing and Merchants Industry |

Information and Communication Technology

| |
|---|
| Digital and Technology Solutions Professional |
| Digital Marketer |
| Information Security |
| Infrastructure Technician |
| IT and Telecoms Professionals |
| IT User |
| Network Engineer |
| Non-SASE Compliant |
| Software Developer |

Construction, Planning and the Built Environment

| |
|--|
| Building Services Engineering Technicians |
| Chartered Surveyor |
| Construction Management |
| Construction Skills |
| Heating, Ventilation, Air Conditioning and Refrigeration |
| MES Plumbing |
| Non-SASE Compliant |
| Property Maintenance Operative |
| Science Industry Maintenance Technician |
| Surveying |
| Surveying Technician |
